ATTENTION!

Please note that from October 2012 I publish the **Airplay** country music chart, instead of the new **Hot Country Singles** chart, because I dislike the current methodology. The new *Hot Country Songs* is more crossover-oriented than its predecessor and the songs spend… 500 weeks at number one (Sam Hunt, Florida Georgia Line etc.) which is annoying. I prefer the Airplay chart. Also because Billboard magazine is not published weekly anymore, I use the scanned charts from Billboard Country Update PDF (which is available every Monday).

MAREN MORRIS
My Church

The 25-year-old launches her major-label debut onto Country Airplay at No. 59 (639,000 audience impressions, up 122 percent). Co-written by **Morris**, the ballad is an ode to the church of country music, where "**Hank** brings the sermon and **Cash** leads the choir ... Can I get an amen?"

BROOKE EDEN
Daddy's Money

The singer-songwriter who fine-tuned her chops with a recurring run at famed Nashville honky-tonk Tootsie's Orchid Lounge arrives with her major-label launch, a scrappy country rocker about growing up without material affluence. It lifts 60-58 on Country Airplay (up 40 percent to 634,000 in audience).
